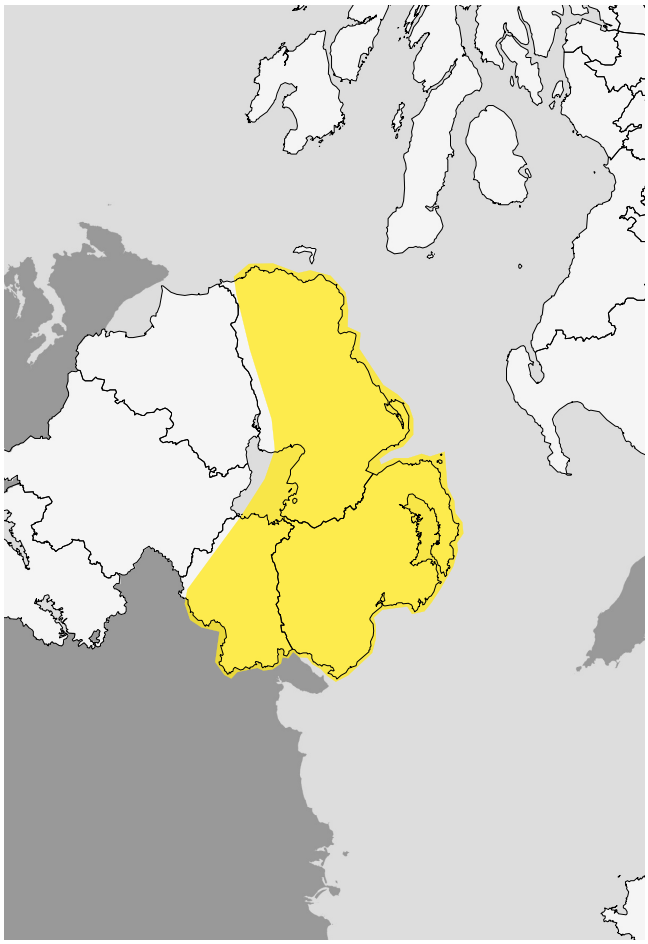
Yellow warning
Thunderstorm

Between
14:00 Sun 25 Jun 2023 and
19:00 Sun 25 Jun 2023



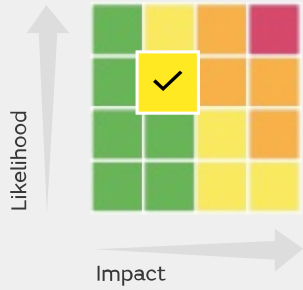
Thunderstorms may cause some localised flooding and disruption on Sunday afternoon

What to expect

- There is a good chance driving conditions will be affected by spray, standing water, gusty winds and/or hail, leading to longer journey times by car and bus
- Some flooding of a few homes and businesses is possible, leading to some damage to buildings or structures
- Some damage to a few buildings and structures from lightning strikes is possible
- Delays to train services are possible
- Some short term loss of power and other services is possible

Further details

Heavy showers and thunderstorms are expected to develop across Northern Ireland on Sunday afternoon and move east through the course of the day. The heaviest showers are expected to be across the east where a few places may see 20 mm of rain in 1 hour. In addition to heavy rain, occasional lightning and gusty winds of 30-40 mph may accompany stronger storms.



Medium likelihood of low impacts

Issued at 09:00 Sun 25 Jun, 2023
